Shea-Sugar Smoothie Facial

Steaming towels soaked in creamy powder milk bath begin to soften skin, then a whipped shea butter and sugar micro-scrub cleanses and polishes, removing oils and impurities. A velvety smooth, cooling active yogurt mask gently tingles, as pores are deep cleaned, tightened and skin is nourished with raw honey and oats. Finally you are treated to a milk moisturizer that begins to soften the look of deep wrinkles and provides a flawless hydrated finish!

REGULAR PRICE \$90 | JUNE SPECIAL \$75
